- Additional costs will be added when dividing the Congress hall into sections if it is not previously booked as A+B+C. Technician, projector, screen, sound, lights, microphones and wall divisions are then not including in the new section/sections. A separate quote will be submitted upon request.
- This room is equipped with a wide screen projector (Back projection), glass whiteboard and a laptop.
- There are other conditions for exhibitions and dinners in the Pillar hall. Please contact us for more information.
